

- Take out your computer
- Go to email
- Go to google drive
- CREATE new "DRAWING"
- Under the INSERT tab select IMAGE
- Select TAKE A SNAPSHOT
- You will get a warning → ALLOW
- Then click ALLOW again on the top of the screen 2<sup>nd</sup> warning
- Take a selfie with your chromebook
- Then click SELECT

Your selfie should now show up in the google drawing.

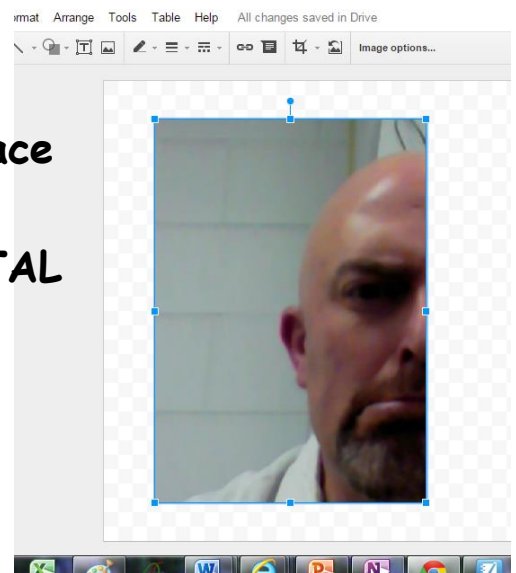

Click on your picture.

Select the CROP button

Crop the picture down to just half your face (left side or right side)

- Copy and paste a 2<sup>nd</sup> copy of your half-face
- Click on either half.
- ARRANGE → ROTATE → FLIP HORIZONTAL

Now drag your two pictures together to make face
